Henrico Police Investigates Fatal Pedestrian Crash on Brook Road

(Henrico County, Va.) – Henrico Police continues to investigate a fatal pedestrian crash along the Brook Road corridor.

On Sunday, May 26, 2024, at approximately 10:30 p.m., Henrico Police responded to the area of Brook Road and Magellan Parkway for a reported vehicle versus pedestrian crash. Once on scene, officers located an unidentified female in the roadway. She was pronounced deceased at the scene.

Investigators have since identified the victim as **Sterling Marie Wilson, 27, of Cumberland, Maryland.**

The preliminary investigation indicates a 2016 Volkswagen Passat was traveling south in the middle lane of Brook Road during the rainstorm when the crash involving a pedestrian, riding a skateboard heading north in the southbound lanes, occurred. Evidence on scene shows the pedestrian attempted to cross the southbound lanes when she was struck. The vehicle involved in the crash remained on scene.

Investigators believe poor visibility due to the weather and dark-colored attire contributed to this crash.

Anyone with further information on this crash is asked to contact Officer R. Hostetler at (804) 501-5000. You can also submit tips anonymously via Crime Stoppers at (804) 780-1000 or by using P3tips.com.
