

POPSICLE BOW & ARROWS

<http://thebroodinghen.blogspot.com/2010/06/tiny-bow-arrow.html>

Time Required: 90 minutes

Prep Required: None

Space (s) Needed: Indoor

Materials:

Popsicle stick

Q-tip

Dental floss

Knife

Instructions:

Step 1: Cut four small notches in the popsicle stick (may require supervision).

Step 2: Soak the popsicle stick in water for an hour or more.

Step 3: Tie the floss around one end of the popsicle stick. Wrap it a few times gently bend the popsicle stick.

Step 4: Wrap and tie it on the other end making sure the floss is taut and on the same side of the popsicle stick on both ends.

Step 5: Cut one end of the Q-tip. Nail clippers work well you might want to make a few.
