Re: Proposed Hunton Park Boulevard Pedestrian & Bicycle Accommodations

Dear Property Owner(s):

On Wednesday, August 16, 2017, from 5:30 p.m. to 7:00 p.m., the County of Henrico Department of Public Works will hold an open house citizen information meeting at Glen Allen High School (Commons A). The purpose of this meeting is to present options for the proposed Hunton Park Boulevard Pedestrian and Bicycle Accommodations Project, and to receive feedback from the community regarding this proposal.

The proposed project could include bicycle/pedestrian accommodations such as the conversion of one travel lane in each direction on Hunton Park Boulevard to a buffered bicycle/pedestrian area, sidewalk along the south side of Hunton Park Boulevard, or a hybrid combination of the two options. The proposed changes would provide increased space, safety, and opportunities for pedestrians and bicyclists within the Hunton Park community.

Glen Allen High School is located at 10700 Staples Mill Road, Glen Allen, VA 23060. More information can be found on the County's website: <http://henrico.us/projects/hunton-park-boulevard/>. This meeting is open to the public. Should you have any questions prior to this meeting, please contact me or Rick Schwartz, Transportation Development Division, at (804)501-7505 or sch068@henrico.us.

Sincerely,

Steven J. Yob, P.E.
Director of Public Works

pc: The Honorable Harvey L. Hinson, Brookland Magisterial District
County Manager
Deputy County Manager for Community Operations
Transportation Development Division Director
