

# INTERCULTURAL LIAISON PARTNERSHIP

→ BUILDING TRUST & RELATIONSHIPS BETWEEN POLICE AND HENRICO'S CULTURALLY-DIVERSE COMMUNITIES

## What is the Intercultural Liaison Partnership?

The Intercultural Liaison Partnership (ILP) strengthens relationships between Henrico Police and the County's culturally-diverse communities through designated Community Liaison Officers. These liaisons are sworn police officers who are a reflection of the County's diverse population and work to develop relationships and partnerships with the members, businesses and service providers within the communities they represent.

Our goal is to build trust by learning from one another and breaking down barriers. We want to ensure every member of every community knows Henrico Police is here to support them and promote their safety.

## Get involved and become an Ambassador!

Ambassadors are community members who have a desire to learn more about Henrico Police and assist in building bridges within their culturally-diverse communities. Ambassadors help generate community interest and awareness in a variety of ways, such as hosting meetings and safety-related classes, providing language translation, or even educating police officers on cultural differences so we may provide better services to the community.

**Contact the Henrico Police Community Services Section at (804) 501-4838 to learn more about the Intercultural Liaison Program and becoming an ambassador for your community.**

## Our Guiding Principle

The Guiding Principle of Henrico Police is to treat everyone with respect, compassion and dignity. We will continually ask ourselves, "Do my actions reflect how I want members of my family to be treated?"

We serve a community of great diversity. Our Guiding Principle will help us achieve our vision to be cutting edge public-safety leaders dedicated to equality and civic trust.

As a law enforcement agency, our duty is to protect the public, ensure justice is served fairly and equitably, and uphold the Constitution of the Commonwealth of Virginia.

We are GUARDIANS of the right to life, liberty, and the pursuit of happiness, and as such, we accept our responsibility to live by our Guiding Principle with enthusiasm and commitment.
