6 p.m. – 7 p.m.

Gayton Elementary School

12481 Church Road, Henrico, VA 23233

Welcome to the County of Henrico citizen information meeting on the proposed North Gayton Road Sidewalk Improvement project. This citizen information meeting is being held to provide an opportunity for citizens or organizations to give comments and/or suggestions on the proposed project. Henrico County strives to ensure that all members of the community have the opportunity to provide comments and participate in public decisions on projects affecting them. Henrico County representatives are present to discuss the project and answer your questions.

A comment sheet is included in the handout for this meeting. Your input is important to us and is encouraged and appreciated. Henrico County staff will address questions and concerns raised as a result of this meeting and based on comments received.

Project Description

The North Gayton Road Sidewalk Improvements project consists of approximately 1,240 linear feet of new sidewalk along the west side of North Gayton Road beginning at the intersection with Causeway Drive and ending at the intersection with Graham Meadows Drive. The new sidewalk will tie into segments of existing sidewalk along the corridor near Gayton Manor Place and the new sidewalk currently under design by others as part of the Our Lady of Hope building addition site plan (County P.O.D. #2016-00562).

Design Completion: August 2018

Easement Acquisition: May – October 2018

Advertise for Construction: October 2018

Begin Construction: Spring 2019

Project Completion: Summer 2019

Environmental Review

This project is being coordinated with the appropriate federal, state, and local agencies. During construction, all reasonable efforts will be made to protect the environment.

This project design and construction will conform to the County and the Virginia Department of Environmental Quality (DEQ) regulations.

Right of Way

Right of way and easements will be required for the project. Property owners will be informed of the exact location of the easements during the acquisition process and prior to construction.
