

PROJECT DESCRIPTION

The Nuckols Road and Pouncey Tract Road Sidewalk Improvements project will provide 1.4 miles of sidewalk improvements within the existing Pouncey Tract Road and Nuckols Road corridor.

The project begins on Pouncey Tract Road 0.568 miles west of the intersection with Nuckols Road and ends on Nuckols Road 0.854 miles east of the intersection with Pouncey Tract Road. The Improvements will consist of construction of sidewalk along the south side of Pouncey Tract Road and Nuckols Road between the end of existing sidewalk at Davis A. Kaechele Elementary School and Heatherford Drive. Crosswalks, pedestrian crossing signals, and American Disabilities Act (ADA) compliant access ramps will be provided at the Pouncey Tract Road/Nuckols Road intersection.

Environmental Review

AECOM, under contract to the County of Henrico, is reviewing the environmental impacts of the project on the local community and surrounding area. The project is being coordinated with the appropriate federal, state, and local agencies. As a result of this review, a determination will be made concerning the construction impacts of the project. We anticipate this will result in a finding of no significant impact.

During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation, and erosion. Construction will conform to VDOT and Henrico County specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

Civil Rights

Representatives from Henrico County are present to discuss the project and answer your questions. It is the responsibility of Henrico County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on transportation projects affecting them. Henrico County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

Right of Way

Displays at this meeting show the extent of right of way that may be needed as the project is currently proposed. Property owners will be informed of the exact location of the easements during the right of way acquisition process and prior to construction.

General information about right of way purchase can be discussed with Henrico County's Real Property representative attending this Public Hearing.

Get Involved

The public comment period will close on May 2, 2017 following this Citizens Information meeting. Henrico County representatives will review and evaluate any information received as a result of the Citizens Information Meeting.

Acquisition of right of way is expected to begin in the Summer of 2017 with sidewalk construction beginning in 2018.

Project information shared here is available for review after the Public Hearing at the County of Henrico Department of Public works located at 4301 East Parham Road, Henrico, Virginia 23273.

Comments can also be submitted in writing through e-mail to Rob Tieman (tie@henrico.us) or regular mail to the contact address below. Information must be postmarked, e-mailed or delivered to the County of Henrico by May 2, 2017 in order to be included in the Citizens Information Meeting record.
