5:00 p.m. – 6:30 p.m.

## Longdale Elementary School

9500 Norfolk Street, Glen Allen, VA 23060

The County of Henrico Department of Public Works welcomes you to the Public Hearing for the proposed Fall Line Trail – Longdale Phase. The purpose of this Public Hearing is to provide an opportunity for citizens or organizations to provide comments on the proposed project. The County wants all members of the community to have the opportunity to participate in public involvement on projects affecting them. The County representatives are present to discuss the project and answer your questions.

Comments can either be submitted using the comment form or via County's website at: <https://henrico.us/projects/flt-longdale/>

County staff will address all questions and concerns raised as a result of this Public Hearing.

### Fall Line Trail Project Description

The Fall Line Trail is a regional paved multi-use trail that is planned to span seven localities and connect rural, suburban, and urban landscapes and a multitude of places of interest for approximately 43 miles in the Richmond region from the City of Petersburg to the Town of Ashland.

The Henrico County segment will be approximately 7.5 miles long and constructed in eight phases. The County's trail segment will span from Bryan Park Avenue to Chickahominy River at the boundary line between Henrico County and Hanover County.

### Project Overview: Longdale Phase

**Location:** From East Parham Road to Woodman Road Extended

**Length:** 3.4 miles

**Purpose:** To construct a 3.4 mile section of the Fall Line Trail, providing community connections and trailheads. Additionally, roadway improvements will be constructed at the southern terminus of the project.

**Anticipated Cost:** \$27,490,000

#### Anticipated Schedule:

Right of Way Acquisition: April 2023 – May 2024

Utility Relocation: December 2023 – October 2024

Construction: November 2024 – October 2026

### Project Description: Longdale Phase

The Fall Line Trail – Longdale Phase will construct 3.4 miles of 12-foot-wide asphalt shared use path from the intersection of E. Parham Road and Villa Park Drive to the newly constructed Woodman Road Extension. The project will construct a major trailhead near the intersection of Athens Avenue and Cleveland Street as well as improve the existing facilities at the Longdale Recreation Center. Minor trailheads and community connection points will be located throughout the trail. The project will also construct roadway improvements in the vicinity of the intersection of E. Parham Road and Villa Park Drive as well as a roundabout at the intersection of Cleveland Street and Hungary Road.

### Environmental Review

The project will be developed in compliance with all applicable regulations, and measures will be taken to minimize any potential environmental impacts. All required environmental clearances and permits will be obtained prior to commencement of construction. During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation, and erosion. Construction will conform to the County's specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

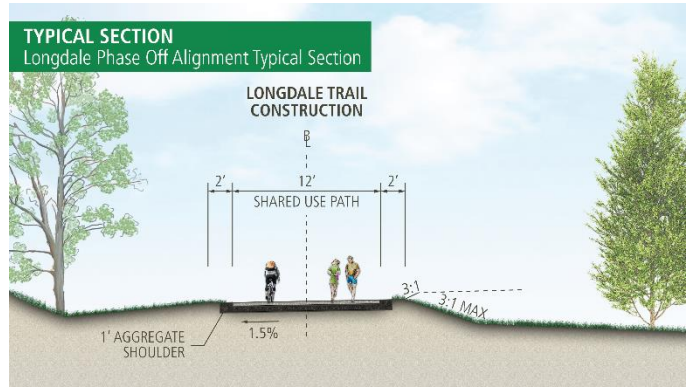

### Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

### Right of Way

Displays at this hearing shows the extent of easements and right of way that may be needed as the project is currently proposed. As the design is further developed, additional easements and right of way may be required beyond what is shown in the current plans. Property owners will be informed of the exact location of the easements during the right of way acquisition process and prior to construction. This project will involve a change and/or break in limited access control.
