Volunteers In Policing

What is a Volunteer?

A volunteer is a person who freely give of his/her time and talent to a worthwhile group or cause without monetary profit. The goal of the Henrico County Division of Police V. I. P. Program is to serve the community by recruiting, placing, training, and encouraging volunteers to:

- Work in Division offices and in Division programs,
- Become involved in County government so that more of the needs of the community can be met,
- Take advantage of opportunities that will make the most of their leisure time, and
- Improve the quality of their own lives by assisting others in our community.

Who Can Volunteer with Henrico County Police Division?

Volunteer opportunities are available for adults of all ages. Volunteers do not need to live in the County. We also have an Explorer Post for youth 14-21 years of age who are interested in careers in law enforcement.

Why Do People Volunteer for the Henrico County Police Division?

Volunteers in the Henrico Police V. I. P. Program are able to learn about and become involved in the community. They may gain valuable job experience and career enrichment. Best of all, V. I. P.s in Henrico Police gain an opportunity to serve others.

Volunteers get to associate with great co-workers! Upon request the department or the Volunteer Services Coordinator will write job referrals and give job references. V. I. P.s gain an opportunity to network and become more informed about the community and about the departments and jobs around the County. The contributions of our volunteers are greatly appreciated and we hold an annual event to recognize volunteer efforts.

Is Training Provided?

For each volunteer position, specific on-the-job training will be provided. Volunteers are also encouraged to attend either our Citizens Police Academy or our Senior Citizens Police Academy. Both academies provide an overview of the Division and provide insight into our day-to-day operations.

For more information about our Citizens or Senior Citizens Academy, please call the academy coordinator at (804) 501-5236.
