## Pump Road Sidewalk Improvements Citizen Information Meeting

Monday, February 25, 2019  
6 p.m. - 7 p.m.

**Colonial Trail Elementary School**  
12101 Liesfield Farm Drive, Glen Allen, Virginia 23059

Welcome to the County of Henrico citizen information meeting on the proposed Pump Road Sidewalk Improvements Project. The purpose of this meeting is to provide an opportunity for citizens or organizations to give comments on the proposed project. The County wants all members of the community to have the opportunity to participate in public involvement on projects affecting them.

Comments can either be submitted using the form included in this handout or via County's website at:

<https://henrico.us/projects/pump-road-sidewalk-project/>

County staff will address all questions and concerns raised as a result of this meeting.

### Project Description

This project will construct a 5-foot wide concrete sidewalk with a 2-foot wide grass utility strip along the east side of Pump Road connecting the sidewalk that currently ends just north of Sandy Bluff Drive to the existing sidewalk just south of Hazel Tree Drive (approximately 0.45 mile). The project will include roadway widening, curb and gutter, and drainage improvements.

### Project Graphic

## Right of Way

Easements will be required for the project. Property owners will be informed of the exact location of the proposed easements during the acquisition process and prior to construction.

If you have questions or concerns regarding the proposed easement, please contact Paul Smith, Capital Projects Manager, via [smi91@henrico.us](mailto:smi91@henrico.us) or (804) 501-5092.

## Project Overview

### Approximate Location:

North of Kingsbury Court to south of Hazel Tree Drive

### Length:

0.45 miles

### Purpose:

To improve pedestrian safety along the Pump Road corridor by extending sidewalk where two segments currently end

### Anticipated Cost

\$1,439,000

### Anticipated Schedule:

Easement Acquisition:	July 2019
Utility Relocation:	July 2019
Advertise for Construction	September 2019
Begin Construction:	December 2019
Complete Construction:	March 2020

## Environmental Review

The project is being coordinated with the appropriate federal, state, and local agencies. During construction, all reasonable efforts will be made to protect the environment. The project design and construction will conform to Henrico County and the Virginia Department of Environmental Quality (DEQ) regulations.

## Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

## Get Involved

The public comment period will close on March 25, 2019. County representatives will review and evaluate any information received. Project information shared here is available for review after the citizens information meeting at the County of Henrico Department of Public Works located at 4301 East Parham Road, Henrico, Virginia 23228. In addition, information is available at <https://henrico.us/projects/pump-road-sidewalk-project/>.
