

The Pick Me Up NEWSLETTER

General News

Last month, KHB donated 48 native plants to Longan Elementary School! These plants included Virginia mountain mint, common sneezeweed, common partridge pea, black-eyed Susan, swamp milkweed, and more!

Education Corner

Keep Henrico Beautiful classroom programs finished up the very busy school year on May 29th with the Recycling Journey at Pinchbeck Elementary's fourth grade. Students explored the recycling "cycle" with a game of stations. Keep Henrico Beautiful served 5079 students in the 2024-2025 school year and is very grateful to the teachers for their support!

Because We Care

Don't forget! All adopters need to have at least two pickups logged by the end of June. If you're not sure how many pickups you've logged, please email fox035@henrico.gov to find out!

Monthly Safety Reminder

It's getting hot out there! Remember to bring cool water and snacks to keep everyone hydrated and energized during pickups. Also, consider sun protection to prevent sunburns!

Coming Up

*Links are active in the attached PDF

- Jun 7th 9-1pm- Spring Plant Sale and Pollinator Festival, Deep Run Park and Recreation Center
- Sep 13th- James River Cleanup, Osborne Park and Boat Landing- It's time to start preparing for the clean up! Every year, we try to find more people with boats to help us clean up the James. If you know someone with a boat, send them our way!
- Fall 2025 - Land Lovers Series- After summer break, the series will resume with exciting subjects like Native Plants for Sun and Shade, Native Fruit Trees, and Owls with AWARE.
