## Executive Summary

### AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

#### 1. Introduction

Henrico County is an entitlement jurisdiction eligible to receive direct federal assistance from the US Department of Housing and Urban Development (HUD), and as such receives Community Development Block Grant (CDBG), HOME Investment Partnerships Program, and Emergency Solutions Grant (ESG) funds. A requirement of accepting these funds is the preparation of a Five-Year Consolidated Plan, which identifies the County's needs for affordable housing and community development, and an Annual Action Plan, which outlines how the County will use federal funds each year to address the needs of County residents. The County of Henrico's *2020-2025 Five Year Consolidated Community Development Plan* covers a five-year period from October 1, 2020, through September 30, 2025.

This *Annual Action Plan* covers year three of the Consolidated Plan and identifies the activities to be undertaken during the year beginning October 1, 2022. The *Annual Action Plan* is the formal application to HUD for the PY 2022-23 entitlement funds administered by the County of Henrico Department of Community Revitalization.

Sources of funds for PY 2022-23, including funds added through a subsequent amendment, are as follows:

2022-23 CDBG Entitlement Grant: \$1,645,428

2022-23 HOME Entitlement Grant: \$991,558

2022-23 ESG Entitlement Grant: \$146,882

CDBG Funds Brought Forward: \$226,757

HOME Funds Brought Forward: \$203,763

ESG Funds Brought Forward: \$798

HOME Program Income: \$68,896.60

Total Funds: \$3,284,082.60

With the adoption of this Action Plan on June 28, 2022, CDBG, HOME, and ESG funds were allocated to 21 projects. A summary of sources of funds and projects funded is provided in Appendix C. There has

been one Amendment to this Action Plan to allocate additional program income and funds brought forward to three existing projects. A summary of the sources and projects funded with this amendment can be found in Appendix K.

[September 30, 2023] Minor Amendment Notes:

This amendment incorporated additional prior year CDBG funds (\$101,587) and HOME funds (\$115,376), and HOME program income funds (\$68,896.80), which were allocated to three existing projects. The project: HOMES Homeowner Rehabilitation Program (\$101,587 of CDBG and \$72,587.60 of HOME), Southside Community Development & Housing Corporation's Downpayment and Closing Cost Assistance program (\$9,169.20 of HOME), and HOME Inc's Downpayment and Closing Cost Assistance program (\$88,286.40).

Modifications were made to Sections AP-05, AP-10, AP-12, AP-20, AP-35, AP-55, AP-75, and AP-85. Appendix K provides a consolidated list of all sources of funds and projects funded.

Over the course of the year, County CDBG/HOME/ESG staff continued to meet on a regular basis with subrecipients, representatives of County agencies, and other community service providers (including the Continuum of Care) to understand the needs of the community, to make adjustments to existing programs, and to develop goals and specific objectives for the upcoming annual plan. Specific consultations are outlined in Section AP-10.

Henrico County conducted two public hearings, the first on February 15, 2022 and the second with the Count Board of Supervisors on June 28, 2022. Opportunities for public input included consultations with County agencies and non-profit service providers.

Advertising of public hearings and opportunities for public input included the following:

#### **5. Summary of public comments**

Comments received at the Community Development Needs public hearing on February 15, 2022, concerned the County's efforts towards the need for affordable housing in the area, particularly related to past discriminatory lending practices and closing the racial equity gap. Citizens also mentioned the need to focus on financial support toward minority first-time home buyers. No comments were received at the June 28, 2022, Board of Supervisors' public hearing.

**6. Summary of comments or views not accepted and the reasons for not accepting them**

All comments received were accepted and considered in the formulation of the 2022-23 *Annual Action Plan*. While all comments were accepted, not all could be addressed through projects funded in this Action Plan due to limits on funding and limits on eligible uses of CDBG, HOME, and/or ESG funds.

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(I)**

### **1. Introduction**

Throughout the year, CDBG, HOME, and ESG staff met with local agencies and groups. Listed below are some of the meetings and consultations undertaken by staff as part of an ongoing dialog to discuss the needs of the County's citizens in preparation of the Five-Year Consolidated Plan and *2022 Annual Action Plan*.

#### **Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))**

Staff in the Department of Community Revitalization meets regularly throughout the year with a variety of organizations involved in the provision or maintenance of housing for low- and moderate-income citizens and agencies providing other services to low- and moderate-income citizens. These discussions are designed to identify specific community needs and implement strategies for program enhancement. The Continuum of Care Ranking Committee was formally consulted before developing ESG funding recommendations. Individual ESG providers were also consulted.

The Department of Community Revitalization convenes a monthly meeting of a multi-disciplinary task force that addresses housing and social service needs of County residents. County agencies represented on this task force include: Police, Social Services, Fire, Building Inspections, Mental Health, Community Development, Community Maintenance, and Henrico Public Schools.

In addition to meeting with individual organizations and other County Departments, staff also consults regularly in formal and informal settings with Community Development staff from surrounding jurisdictions and meets bi-monthly with an organization of area non-profit housing providers. This group includes CHDOs, CDFIs, and other community development corporations.

Staff met with a variety of local agencies including housing providers, government agencies providing mental health and social services, organizations involved in providing services to homeless persons, and others to discuss the community development needs of Henrico and the region. These agencies are all listed in Table 2.

#### **Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

The Henrico Director of Social Services represents the County and serves as a voting member of the Board of the Greater Richmond Continuum of Care (CoC). The Department of Community Revitalization also has a voting member on the CoC Ranking Committee. The CoC Board, a panel of community

stakeholders, is convened at least annually to review and assess funding requests for the HUD Continuum of Care Program. The Ranking Committee also meets to review applications and to review the effectiveness of the proposed work in addressing community priorities and needs. A discussion of requests for Henrico ESG funding took place with CoC staff and the Ranking Committee on March 18, 2022 (minutes provided in Appendix I). Recommendations were provided for funding organizations with Henrico County ESG Entitlement funds. Allocations of ESG funds, as described in this Plan, are based substantially on these recommendations in an effort to coordinate with funds allocated by the CoC.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

Formal consultation occurred with the CoC Ranking Committee as described above and prior to that with CoC staff. Through representation on the CoC Board, Henrico County staff participates in evaluation and oversight of all CoC funded programs. Through participation on the Ranking Committee, allocations of all HESG, ESG, state funds, and other HUD funds are evaluated in a coordinated fashion with inclusion of Henrico County and other local government staff.

## Expected Resources

### AP-15 Expected Resources – 91.220(c)(1,2)

#### Introduction

With unexpected changes in the allocation of entitlement funds from what was projected in the 2020-25 Consolidated Plan, this Action Plan reflects funding for 2022-23 based on the HUD entitlement allocations released on May 13, 2022. These entitlements reflect a 5.8% decrease in CDBG, an 11.7% increase in HOME, and a 0.4% decrease in ESG from the 2021-22 Program Year. This Action Plan implements the third year of the five-year Consolidated Plan.

The allocated amounts for all funds include the following amounts from prior years: \$125,170 CDBG, \$88,387 HOME, and \$798 ESG.

**Table 5 - Expected Resources – Priority Table**

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

- Local and State Enterprise Zone Grants: Henrico County provides grant funding to supplement CDBG funds invested in qualifying businesses for the purpose of job creation for low- and

moderate-income persons. Several grant programs are funded with CDBG funds; others with County general funds. Businesses undertaking improvements resulting in job creation can utilize either or both grant programs. Enterprise Zone businesses/properties are also eligible for state grants. CDBG funds used for enterprise zone grants (except for design assistance grants) leverage private funds on at least a 3:1 basis.

- Henrico County funds a variety of non-profit organizations in the non-departmental general fund budget for the purpose of providing public services serving predominantly low- and moderate-income persons.
- Low Income Housing Tax Credits: The federal 4% and 9% LIHTC is a substantial source of funding for the construction and rehabilitation of affordable rental units. They are a dollar-for-dollar credit against federal tax liability. Within the past five years, five projects were approved for 1,034 units of rehabilitated housing dedicated to low-income renters through use of this federal source. Five additional projects of new construction representing 311 units were approved. Of these, 86 units in one project were for an accessible supportive housing development.
- Section 8 Housing Choice Vouchers: Vouchers used in Henrico County are administered primarily through four entities; Richmond Redevelopment Housing Authority, Henrico Area Mental Health and Developmental Services, Richmond Residential Services, and the Central Virginia Resource Corporation.
- Down payment and closing cost assistance is leveraged and/or matched with additional private grants, homeowner contributions, state grants, and in-kind contributions.
- Emergency Solutions Grant Funds are leveraged and matched with state ESG funds, private charitable contributions, United Way and similar funding, in-kind contributions from public and private agencies, and funding provided through the Continuum of Care, and CDBG funds provided for homelessness prevention.
- Match contribution to HOME-eligible households is provided in-part through two volunteer assistance programs utilizing the value of contributed labor and materials. Down payment assistance is frequently also matched with contributions from private financial institutions, including the Federal Home Loan Bank of Atlanta.
- All ESG subrecipients are required to provide a one-to-one match for ESG funds they receive from Henrico County. Match sources listed in their application for funding is verified at the end of the fiscal year by the ESG Program Manager and the Grants Accountant.

**If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

Recreation needs and facilities serving low- and moderate-income areas will be met using existing County-owned facilities. Facilities serving populations with special needs are frequently County-owned and used to address many of the needs identified in this plan. Henrico County owns the buildings that are leased to Housing Families First (HFF) where the Hilliard House Shelter for families operates, and the HFF administrative offices where rapid rehousing services are provided. County schools, recreation and community centers, libraries, and administrative offices are used for a variety of opportunities to serve citizens with programs meeting needs identified in the Plan. These uses include: public hearings, community meetings, educational classes and workshops, and general program outreach.

## AP-50 Geographic Distribution – 91.220(f)

### Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

- Henrico County uses all of its CDBG, HOME, and ESG funds to benefit low- and moderate-income people. Henrico County does not plan, or allocate, resources on a racial or ethnic basis.
- Henrico offers residential rehabilitation and repair programs for low-income homeowners county-wide.
- Homebuyer assistance programs are available for any household meeting eligibility requirements. Housing purchased with these programs is county-wide.
- Housing rehabilitated or constructed with federal funds is county-wide. Purchasers of these homes must meet income and eligibility guidelines.
- The CONNECT Program serves children living in low-income multi-family housing. The program operates four locations serving 11 communities: Coventry Gardens (also serving Newbridge Village, Summerdale, Ironwood, Viviana Hall, and Woodpost Townhomes), Henrico Arms (also serving Williamsburg Place), Oakland Village (also serving Woodlands), and Richfield Place.
- Programs that provide assistance to businesses create jobs available to low-income persons. Businesses assisted must be located in the Enterprise Zone.
- ESG and some CDBG funds will provide financial assistance, case management, and homeless outreach services to persons and households facing homelessness. Assistance is given to persons or households who meet eligibility guidelines.
- Per HUD guidelines, Henrico County defines areas of minority concentration as those in which the non-white population is more than 20% higher than the non-white population for Henrico as a whole. Based on 2020 ACS data, the non-white minority population comprises 44.9% of the total county population and therefore areas of minority concentration are those in which the non-white population is 65% or higher. These areas of minority concentration are generally concentrated in the middle of the County, particularly between Chamberlayne Rd and the area around New Market Rd and S. Laburnum Ave. There are also small pockets of minority concentration in the west end of the County, such as near Broad St and Pouncey Tract Rd and two small areas between Staples Mill Rd and Broad St around Glenside Dr and Parham Rd. A map of these areas can be found in Appendix F.

### Rationale for the priorities for allocating investments geographically

Henrico County will allocate federal funds (CDBG, ESG & HOME) in 2022-23 to activities that are not geographically constrained.

## **AP-65 Homeless and Other Special Needs Activities – 91.220(i)**

### **Introduction**

The County utilizes all of its CDBG, ESG and HOME Program allocations for the benefit of very low- and low-income persons to reduce effects of poverty and assist families to transition into the economic mainstream.

The goals for ESG funding are to reduce the number of individuals/households who become homeless; shorten the length of time an individual or household is homeless; and reduce the number of individuals/households returning to homelessness. The County will meet these goals through supporting Continuum of Care (COC) strategies, homeless services, and prevention programs that align with program goals. Funding will support coordinated community-based activities that are designed to support the goals of the ESG program. Henrico County will use ESG funds for homeless prevention, emergency shelter, street outreach, and support services for homeless individuals in a coordinated manner with other service providers, homeless prevention providers and resources within the County.

According to HUD e-Card data (<https://egis.hud.gov/cart/#>), there are a total of 1,857 tenant-based housing choice vouchers in use in Henrico County. HUD eCard also reports 2,250 project-based HUD assisted units. There are also 53 USDA assisted units.

As of April 29th, 2022, Henrico Area Mental Health & Developmental Services (HAMHDS) had 259 Housing Choice vouchers under lease; 250 of those vouchers are being used in Henrico County. When last reported on April 29th, 2022, Central Virginia Resource Corporation had 1,486 leased families throughout the Richmond metropolitan area and of those 385 are currently leased in Henrico County. Richmond Residential Services manages 238 vouchers for adults with intellectual disabilities of which 29 are located in Henrico County. In addition to standard vouchers these three programs also administer specialty vouchers which include disability vouchers, EHV (Emergency Housing Vouchers), HUD-VASH (Veterans Affairs Supportive Housing), DOJ (Dept. of Justice vouchers), and mainstream vouchers.

For FY 2022-23 Henrico County Public Schools (HCPS) is in year 3 of a 3-year grant under the McKinney-Vento Homeless Education Act. The award amount is \$32,333 for each of the years in the 3-year grant cycle, continuing through year 2022-23. In addition to the \$32,333 budgeted for 2022-23, HCPS received additional funds from Title I grant monies to support student transportation, professional development, payment of student fees and more. Also, the program is a recipient of funds from the ARP-HCY grants. These funds will support various special projects for student support and program development.

Thus far during the 2021-22 school year, Henrico County Public Schools identified just under 700 students who qualify for assistance under the McKinney-Vento Act. Families with children qualified under the McKinney-Vento Act are regularly contacted by the Henrico County Department of Social Services and Henrico County Public Schools to identify opportunities and assist with the transition to permanent housing by these families. Thanks in part to support received via a partnership between Henrico County and Commonwealth Catholic Charities, over 100 families have found permanent housing during this school year.

**Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The County participates in street outreach which provides individualized assessments and services to unsheltered homeless persons. Information gathered during this process is incorporated in the annual homelessness point in time count, which is coordinated twice a year by Homeward. Henrico coordinates with many agencies to provide services to homeless individuals and families and provides \$473,534 annually in financial assistance in the General Fund Budget to a number of agencies including:

- Feedmore (Meals on Wheels, Central Virginia Foodbank)
- Community Food Collaborative
- FISH (Eastern Henrico County)
- Housing Families First/Hilliard House
- Safe Harbor
- Salvation Army
- St. Joseph’s Villa Flagler Homeless Services
- CARITAS
- American Red Cross of Capital Virginia
- Moments of Hope Outreach
- Partnership for Housing Affordability
- Henrico Community Food Bank
- H.O.P.E. in the Community
- RVA Mobile Market

**Addressing the emergency shelter and transitional housing needs of homeless persons**

The ESG program supports service providers for programs related to Case Management, Shelter and Operating Costs. These programs provide shelter and supportive services to homeless individuals and families while affordable, suitable permanent housing is being sought.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.**

The ESG program funds Homeless Prevention and Outreach programs which provide supportive services

to homeless individuals and families and those at risk of homelessness so that they can access and maintain affordable, suitable permanent housing.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.**

For PY 2022-23 Henrico County has allocated ESG funds to organizations that provide services to clientele including homeless persons and persons at risk of homelessness. These organizations, program descriptions and allocations include the following:

- CARITAS Case Management -- \$20,000 to fund a program that will provide case management services to 75 individuals residing in shelters.
- YWCA -- \$25,551 towards the cost of operating a regional domestic violence hotline. It is estimated that 400 Henrico County residents will benefit from this hotline. Funds will also be used to update their existing client database so it is compatible with HUD reporting requirements.
- Housing Families First – Hilliard House Emergency Shelter -- \$44,129 to fund a program that provides services to 6 families (25 person) residing in shelter.
- Commonwealth Catholic Charities -- \$24,000 to fund a program that provides services to 60 persons living in a place not meant for habitation.
- Homeward -- \$23,000 for data collection and assistance for report preparation through the Homeless Management Information System.

## **AP-75 Barriers to affordable housing – 91.220(j)**

### **Introduction:**

According to HUD e-cart data (<https://egis.hud.gov/cart/#>), there are a total of 1,912 tenant-based housing choice vouchers in use in Henrico County. HUD e-cart also reports 2,280 project-based HUD assisted units. In addition, Henrico County has more than 6,013 subsidized apartments, as noted by VHDA and Henrico County data. Project-based subsidies include apartments supported by Sec. 8, Sec. 236, and Sec. 42 Low Income Housing Tax Credits. Slight discrepancies or duplication may occur between data sources used.

As of April 29th, 2022, Henrico Area Mental Health & Developmental Services (HAMHDS) had 259 Housing Choice vouchers under lease; 250 of those vouchers are being used in Henrico County. When last reported on April 29th, 2022, Central Virginia Resource Corporation had 1,486 leased families throughout the Richmond metropolitan area and of those 385 are currently leased in Henrico County. Richmond Residential Services manages 238 vouchers for adults with intellectual disabilities of which 29 are located in Henrico County. In addition to standard vouchers these three programs also administer specialty vouchers which include disability vouchers, EHV (Emergency Housing Vouchers), HUD-VASH (Veterans Affairs Supportive Housing), DOJ (Dept. of Justice vouchers), and mainstream vouchers.

Historically, Henrico County has allowed some of the smallest lot sizes in the area and has never required cash proffers or impact fees. The County has consistently promoted a variety of residential development including apartments, townhouses, condominiums and single-family dwellings.

### **Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

Specific actions planned during PY 2022-23 to remove barriers and promote affordable housing include the following:

- Allocation of \$149,000 for CHDO Activities aimed at increasing the supply of affordable housing for low- and moderate-income homeowners.
- Allocation of \$392,685 of HOME for down payment assistance to support first-time low- and moderate-income homebuyers.
- Allocation of a total of \$1,369,718 of HOME and CDBG for rehabilitation and minor repair programs in support of the retention of existing affordable housing.
- Allocation of \$2,607,187 of County General Funds to the Community Maintenance and Building Inspection – Existing Structures Programs that includes the administration of a volunteer housing assistance program designed to improve the housing conditions of low-income County

homeowners and a program of facilitating the maintenance of affordable housing communities.

- Lowest real estate tax rate of the 13 largest jurisdictions in Virginia.
- Real Estate Advantage Program (REAP) provides real estate tax exemption to qualified seniors or disabled persons totaling an estimated savings of over \$9,000,000 in FY22 to qualified seniors.
- Tax abatement for single-family and multi-family housing rehabilitation.
- Henrico County passed new Subdivision and Zoning ordinances in June 2021 which now allow for more flexibility to encourage the development of affordable housing. This includes several new provisions to encourage residential development in mixed-use settings such as more flexible standards for commercial uses in multi-family districts, more flexible standards for accessory apartments in commercial districts, new Planned Development Districts, and new form-based Alternative Overlay Districts. Additionally, since 2000 the Code prohibited rezonings to more dense single-family districts; the new Code once again allows development in these districts which will help to create more affordable housing.

## AP-85 Other Actions – 91.220(k)

### Introduction:

Henrico County undertakes a variety of actions to meet underserved needs, foster and maintain affordable housing, reduce lead-based paint, reduce the number of poverty level families, and enhance coordination between public and private housing and social service agencies. These actions are part of the administrative culture of the County and will continue through PY 2022-23. Despite annual unpredictable variations in federal entitlement funds, the County will maintain a focus on the most critical needs in these areas.

### Actions planned to address obstacles to meeting underserved needs

While there are several constraints to meeting the needs of low-, very low-, and moderate-income residents, the primary obstacle is the lack of funding to fully address all needs in light of rising costs and unpredictable federal resources. In response to the level of need, the County continues to provide local funding to nonprofits.

The County continues to administer Housing Choice Vouchers through the Henrico Area Mental Health and Development Services, provide homeless prevention services and assistance for County residents, and continues on a County-wide basis to encourage economic development leading to job growth, much of which is targeted to very low-, low-, and moderate-income persons. The County also encourages all types of residential development and has been supportive of the use of low-income housing tax credits for the rehabilitation of multi-family housing for low- and moderate-income persons.

The County pursued the option available to Participating Jurisdictions in 24 CFR 92.254(a)(2)(iii) and completed a detailed market analysis to determine a locality or consortium specific set of HOME purchase price and after rehabilitation value limits. These values differ substantially from the annually published HUD HOME purchase price and after rehabilitation value limits therefore, to enable additional low- to moderate-income first-time homebuyers and homeowners to receive service, Henrico County has will be implementing the following locality-specific limits for program year 2022-23. These limits will go into effect once HUD approves of this *Annual Action Plan*. A detailed methodology for calculating the new limits can be found in Appendix J.

Median Sales Price 95% Henrico Analysis	Existing Homes	New Construction
Single-Family - 1 Unit	\$280,250	\$357,085
2 Unit	\$358,720	\$457,068.80
3 Unit	\$434,387.50	\$553,481.75
4 Unit	\$538,080	\$685,603.20

### **Actions planned to foster and maintain affordable housing**

During PY 2022-23, Henrico County will commit a total of \$1,369,718 for homeowner rehabilitation and repair for 74 low- and moderate-income households, the majority of which will be elderly householders.

An additional \$149,000 will be committed for the acquisition, rehabilitation, and sale of vacant homes to low- and very low-income first-time homebuyers or the creation of affordable rental units. The County is providing \$392,685 in homebuyer assistance and education to 21 first-time low/mod homebuyers.

The Community Maintenance Program (funded through the General Fund) includes the administration of a volunteer housing assistance program designed to improve the housing conditions of low-income County homeowners and a program of facilitating the maintenance of affordable housing communities.

### **Actions planned to reduce lead-based paint hazards**

The County budgets an additional \$5,000 above the maximum \$45,000 per unit cost for moderate rehabilitation to address potential lead-based paint abatement.

### **Actions planned to reduce the number of poverty-level families**

The Commercial Assistance Program facilitates development and expansion of businesses to create jobs available to low- and moderate-income persons as well as persons in poverty.

The County will continue to support appropriate activities that preserve and expand the supply of housing that is affordable to low-income households. This will include support for applications for low-income housing tax credits for the rehabilitation of existing multi-family units which provide housing opportunities for low-and moderate-income persons.

The CONNECT Program provides after-school mentoring and tutoring to improve educational achievement (a significant factor in determining future income) for children residing in low-income housing communities. The County has committed \$160,000 of CDBG funds towards this program in PY 2021-22.

### **Actions planned to develop institutional structure**

The County also has a designated staff position to administer each of the three programs and the activities funded with the three types of funds: a CDBG Program Manager, a HOME Program Manager, and an ESG Program Manager. Staff works with the individual County Departments, such as Public Works, Social Services, Recreation and Parks, Mental Health, Planning, Public Utilities, Building Inspections, and the Division of Community Maintenance to develop procedures and coordination for administering programs that will be carried out by these divisions. Staff regularly tracks the production

and effectiveness of all agencies, including subrecipients, tasked with implementing programs with CDBG, HOME, and ESG funds. Adjustments are continuously made as needed.

**Actions planned to enhance coordination between public and private housing and social service agencies**

CDBG, HOME, and ESG staff will continue to participate in monthly meetings with County social services agencies, bi-monthly meetings with non-profit housing providers, and regular interactions with housing agencies, advocacy groups, and other County agencies.

## Program Specific Requirements

### AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

**HOME Investment Partnership Program (HOME)  
Reference 24 CFR 91.220(l)(2)**

- 1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:**

N/A

- 2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:**

Henrico County uses the recapture provision for homebuyer activities and imposes an affordability period and recapture policy. Henrico limits the amount subject to recapture to the net proceeds available from the sale. Henrico County monitors the ownership during the "affordability period." Enforcement of the homebuyer provisions contained in the HOME Regulations (24 CFR Part 92) will be through a Deed of Trust and Note. See attached "*Henrico County Recapture Provision for the Use of HOME Program Funds*" (Appendix G).

- 3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:**

Henrico County implements the Recapture option. Guidelines are provided in the *Henrico County Recapture Provision for the Use of HOME Program Funds*.

- 4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:**

N/A

**Emergency Solutions Grant (ESG)  
Reference 91.220(l)(4)**

**1. Include written standards for providing ESG assistance (may include as attachment)**

By accepting ESG funds from Henrico County, the grantee agrees to administer the funds in accordance with the Henrico County Emergency Solutions Grant Manual and HUD ESG regulations. The Henrico County Emergency Solutions Grant Manual was revised in 2021-22 and includes descriptions of ESG regulatory requirements, written standards for ESG subrecipients, internal procedures for submitting and processing payments, and forms and checklists for use by subrecipients. The Manual is available from the Henrico County Department of Community Revitalization.

**2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.**

The Greater Richmond Continuum of Care (GR-CoC), which is managed by the organization Homeward, is responsible for maintaining the coordinated assessment system and ensuring it meets all HUD requirements. Through various GR-CoC committees, members of the GR-CoC community maintain the system by implementing improvements that ensure the changing needs of the population served are receiving the resources they need. In addition, Homeward hosts learning sessions for GR-CoC agencies that explore changes in best practices and how better coordination can be achieved.

The primary goal of the coordinated assessment system is to ensure services are accessible to those who need assistance. Beyond that, the GR-CoC works hard to streamline access to resources and ensure each client is matched to the services appropriate for their unique situation. Decisions are guided by the GR-CoC's Policies and Procedures Manual, which is updated regularly to reflect changing best practices and the needs of the community.

Through three different entry points, (the Homeless Connection Line, the Empowernet Hotline, and Coordinated Outreach) the GR-CoC's coordinated assessment system identifies households that are homeless or at risk of homelessness, assesses their housing and service needs, and connects them to appropriate housing and services necessary to end their housing crisis as quickly as possible. Services include emergency shelter, rapid rehousing, case management, and permanent supportive housing.

Core elements of the coordinated access system include screening, assessment, prioritization, referral, and a Homeless Management Information System (HMIS) that helps agencies and consumers share information. The Homeward Community Information System, is a local proprietary HMIS that meets all federal standards and regulations.

**3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).**

The County and the CoC actively encourage new applicants to apply for funds by conducting educational presentations about the funding process and local priorities. All applicants and potential applicants are encouraged to participate in the CoC to work on addressing gaps in service provision. The County solicits applications from all qualified service providers and makes them aware of funding through various notification letters, phone calls, and advertising. Application due dates, instructions and required forms are posted on the County's website.

**4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.**

The County has met the requirements of 24 CFR 576.405(a) by participating in and seeking input from the CoC's Ranking Committee regarding gaps in service and gained input that was applied in the funding decisions. The CoC Board of Supervisors and the CoC Ranking Committee include persons with lived experience.

**5. Describe performance standards for evaluating ESG.**

The CoC uses the HEARTH performance measurements to evaluate ESG programs. Homeward's HMIS staff complete APR reports quarterly for review by the funded agencies and the Henrico County ESG Program Manager. The CoC's Performance Measurement Committee, established in 2014, developed detailed performance standards for each program type and with the exception of providers primarily serving survivors of domestic violence, all programs use HMIS to collect data and monitor program outcomes.

In 2021, the CoC Performance Measurement Committee was replaced by GRCoC board action with the Quality Improvement Leadership Committee (QIL). In collaboration with the Ranking and Review Committee, QIL establishes performance standards for all program types.

**MANAGER'S COMMENTS**

Ms. Tretina shared with a heavy heart the passing of Alicia A. Monahan, a firefighter/paramedic with Chesterfield Fire & EMS. Ms. Monahan tragically passed away Saturday afternoon while she was teaching a swift water rescue course in Macon County, North Carolina. Alicia was an 11-plus year veteran of Chesterfield Fire & EMS, serving as a member of the CF&EMS Dive Team and the Virginia Helicopter Aquatics Rescue Team. She also served with the Virginia Search and Rescue Dog Association. Alicia was known for her willingness to drop everything to participate in a rescue, and she was even recognized with a bronze Valor Award in 2019 by the Retail Merchants Association. Alicia leaves behind two teenage sons and a fiancé. Ms. Tretina noted our hearts and prayers are with Alicia's family and friends and with our brothers and sisters in Chesterfield as they grieve the loss of a hero. Ms. Tretina announced the Henrico County flags are flying at half-staff through Wednesday as a show of solidarity with our larger, regional public safety family.

Ms. Tretina recognized Barbara Weedman, Director of Henrico County Public Libraries, who announced the Fairfield Area Library and Quinn Evans Architects have won an IIDA (Commercial Design Association) and American Library Association 2022 Library Interior Design Award which “recognizes excellence in library interior design and promotes examples of extraordinary design reflected through innovative concepts.” Ms. Weedman stated this award is one of two nationally in the category of public libraries over 30,000 square feet.

Ms. Tretina recognized Deputy Chief for the Division of Fire, Jeff Farmer, who announced the Division is honored to receive the American Heart Association's 2022 Mission: Lifeline – EMS – GOLD PLUS Achievement Award for an EMS Agency. The GOLD PLUS award is the highest possible award recognized by the American Heart Association. The American Heart Association recognizes the Henrico County Division of Fire for demonstrating continued success in using the Mission Lifeline program. In earning this award, the Division of Fire has applied the most up-to-date evidence-based treatment guidelines to improve patient care and outcomes in the community. Specifically, this award measures the Division's ability to quickly recognize heart attacks, acquire electrocardiographs, notify hospital emergency departments, activate the cath-lab, and achieve reperfusion of the patient's body tissue. This success is made possible by the Division of Fire's partnership with the Henrico County Emergency Communications Center, the Henrico Association of Volunteer Rescue Squads, and the regional hospital systems.

#### **BOARD OF SUPERVISORS' COMMENTS**

Mr. Nelson sent thoughts and prayers to our Varina District School Board representative Alicia Atkins who lost her father this past weekend.

Mr. Nelson recognized for the second year that Henrico presented a Juneteenth celebration at Dorey Park to commemorate and celebrate the abolishment of slavery in the United States. Juneteenth, also known as Emancipation Day or Day of Freedom, combines “June” and “nineteenth” for the month and the day that the enslaved in Galveston, Texas, got word that they had been freed under President Abraham Lincoln's Emancipation Proclamation. The County's Juneteenth celebration was held on Saturday, June 18, and featured a day of family fun and entertainment, including live performances, a vendor fair, food, historical and educational exhibits, a kid's zone, and a spectacular fireworks finale. Mr. Nelson thanked Henrico Recreation and Parks, the “Green Machine”, for the time, talent, and effort that went into producing the event. He noted the fantastic weather and asked if everyone could join him in thanking the outstanding efforts of Recreation and Parks.

Mr. Schmitt noted six days from today we will host the Red, White, and Lights celebration on Monday, July 4 at Meadow Farm Park which will include the Richmond Symphony with a laser-light show.

Mr. Branin recognized the Henrico Division of Fire and EMS for their recent outstanding efforts responding to a fire at an assisted living facility in the County.

## Appendix G: Henrico Recapture Provision

### *Henrico County Recapture Provision for the Use of HOME Program Funds*

The County of Henrico will use the Recapture Provision where HOME program funds are used to provide homebuyer assistance or to undertake rehabilitation of owner-occupied single-family homes. This is intended to ensure homes remain the buyer's or homeowner's principal residence throughout the applicable affordability period. The following table outlines the affordability periods.

<b>Amount of HOME Assistance</b>	<b>Length of the Affordability Period</b>
Under \$15,000	5 years
\$15,000 to \$40,000	10 years
Over \$40,000	15 years

#### REDUCTION DURING AFFORDABILITY PERIOD:

If the homebuyer or homeowner occupies the property as his/her principal place of residence for a period of time less than the applicable affordability period, then the amount of the Direct HOME Subsidy subject to recapture will be reduced on a pro-rated basis for each full year that the homeowner or homebuyer owned and occupied the property, as described below. If the recapture provision is triggered by a sale of the property, Henrico County will recapture the pro-rated amount from the net proceeds available from the sale. The homeowner who "occupies the property" is defined as the person or persons who are using the property as their principal place of residence at the time the HOME funded assistance was provided, even though there may be additional owners who are not occupants of the property at the time.

The "Direct HOME Subsidy" is defined as the amount of HOME assistance provided to the homebuyer towards the purchase of the property or for rehabilitation projects not involving acquisition, the amount of HOME assistance provided to the homeowner-occupant towards the cost of the rehabilitation work undertaken on the property. Direct HOME Subsidy includes down-payment, closing costs or other HOME assistance provided directly to the homebuyer, or for rehabilitation projects, the cost paid for construction benefitting the homeowner-occupant.

The pro-rated HOME Assistance recaptured and returned to Henrico County is calculated as follows:

- Divide the number of full years the homebuyer occupied the home by the period of affordability. When HOME funds were used for rehabilitation not involving acquisition, divide the number of years the homeowner occupied the home following completion of the rehabilitation (the date of completion means the date of the applicable Deed of Trust Note) by the period of affordability.
- Multiply the resulting figure by the total amount of Direct HOME Subsidy originally provided to the homebuyer or homeowner. This is the amount forgiven.
- Subtract the forgiven amount from amount of direct HOME subsidy.
- Example:
  - Mr. Smith received a \$12,000 downpayment assistance grant. This required an affordability period of 5 years. He sold the home after 3 years and 7 months and moved out. He therefore resided in the home for 3 full years.  $3 \text{ years} / 5 \text{ years} = 0.6$ ;  $0.6 \times \$12,000 = \$7,200$ ;  $\$12,000 - \$7,200 = \$4,800$ , which is the amount recaptured.

In the event of foreclosure, the recaptured HOME assistance is pro-rated as described above.

When the recapture provision is triggered by a sale of the property, under no circumstances will Henrico County recapture more than is available from the Net Proceeds of the sale. "Net Proceeds" is defined as the sales price minus primary loan balance (other than HOME funds) and any closing costs.

DUE ON SALE; ACCELERATION:

If all or any part of the property, or interest therein, is leased, sold or otherwise transferred by the homebuyer or homeowner-occupant during the applicable affordability period, excluding the granting of a lien subordination or by rights of survivorship, all sums secured are immediately due and payable to Henrico County, except as provided above. Homeowners who were not using the property as their principal place of residence at the time of HOME funded assistance and retain the property through rights of survivorship are not excluded from the recapture provision, and all sums are to be secured.

SUBORDINATION:

The lien for HOME funds shall be in no worse than second position, unless approved in writing by Henrico County for any other position.

REFINANCING:

The County of Henrico may agree to subordinate an existing lien associated with HOME funds to new debt in order to protect its interests and in the best interest of the homeowner. Refinancing is limited to circumstances in which any one of the following occurs:

- The homeowner must be securing better terms that reduce monthly housing costs.
- The new interest rate must be fixed for the life of the loan (no balloon or ARM loans).
- Cash equity withdrawn may only be used for emergency property repairs or catastrophic expenses upon approval by Henrico County.

In the event refinancing does not meet one of the circumstances described above, Henrico County will not agree to subordination.

ENFORCEMENT:

Recapture provisions shall be enforced through contractual agreements between Henrico County, its subrecipients (or CHDOs), and the homebuyer or homeowner-occupant(s). Subrecipients (or CHDOs) will be responsible for securing the recapture provision for the Direct HOME Subsidy provided by obtaining a promissory Note from the homebuyer or homeowner and recording a Deed of Trust with a term that runs concurrently with the affordability period. Prior to disbursement, Henrico County and its subrecipients (or CHDOs) enter a signed homebuyer (or in the case of rehabilitation not involving acquisition, an authorization and release) agreement, wherein the recapture provisions are disclosed, and the homebuyer or homeowner acknowledges receipt of the recapture provisions.

## Henrico County, VA.

### Methodology and Results of Analysis of Median Housing Price Sales

Prepared by the Henrico County Department of Community Revitalization  
July 21, 2022

#### I. Background.

The HOME Rule in 24 CFR 92.254 (a)(2)(i) and (iii) specifies that the purchase price for housing where homebuyer assistance is provided and the maximum after rehabilitation value where HOME funds are used for rehabilitation assistance, the housing value must not exceed 95% of the median purchase price for the area. HUD annually publishes these values on [HUD Exchange](#).<sup>1</sup> For Henrico County, those figures for 2022 are as follows:

\$255,000 for existing single-family homes

\$291,000 for new single-family homes

These housing values are no longer reflective of the actual housing values and purchase prices in the Henrico market. This has severely impacted the ability of Henrico County and its non-profit partners to assist first-time low- and moderate-income homebuyers through the down payment and closing cost assistance programs which utilize HOME funds. The homeowner rehabilitation program is similarly impacted. To address this issue, Henrico County took advantage of a provision in the HOME Rule which provides an option, as described in 24 CFR 92.254(a)(2)(iii), for the Participating Jurisdiction to undertake a market analysis to determine 95% of the median area purchase price that more accurately reflects the current local situation. The following describes the analysis undertaken by Henrico County, and the resulting adjusted limits for HOME assisted housing as determined by a methodology consistent with the HOME Rule.

#### II. Methodology

##### A. Data Assemblage

Using the County Real Estate Assessor's database, containing information on all land parcels in the County, a subset of data was extracted that contained residential properties with the most recent sale recorded in the 12-month period between July 1, 2021, and June 30, 2022. That dataset was further refined to include only those properties with the following characteristics:

1. Property was a single unit, detached residence or a townhome, meaning the following Henrico County use codes were included:
  - 210 - Single-Family residences within a subdivision

---

<sup>1</sup> Department of Housing and Urban Development. (2022, May). *Home Homeownership Value Limits*. HUD Exchange. Retrieved May 9, 2022, from <https://www.hudexchange.info/resource/2312/home-maximum-purchase-price-after-rehab-value/>

- 223 - Single-Family residences, not part of a subdivision, with land area less than five acres
- 270 - Townhouses (aka single-family residential attached)

The following single-family use codes were excluded:

- 220 - Two-family buildings
- 280 - Condominium units
- 224; 225; 226; and 227 - Single-Family residences with land area greater than five acres.

2. Sale was listed as “qualified,” i.e., non-market transactions were not included.

#### B. Delineation of New Home Sales vs. Existing Home Sales.

The delineation of New Home Sales and Existing Home Sales was completed through the use of the “year constructed” field. If the year of construction in the dataset showed the home was built in 2021 or 2022, that sale was considered to be of a “new construction” home. All other sales were considered sales of an existing home. That disaggregation of the dataset produced the following:

Sales of existing homes: 5,132

Sales of new construction homes: 591

#### C. Calculation of Median Sales Price

For each of the two datasets, a median sales price was determined. The median sales prices were as follows:

Existing Homes: \$295,000

New Construction Homes: \$ 375,879

#### D. Price Limit Adjustment for Single Family Homes

Following the guidance in [24 CFR 92.254\(a\)\(2\)\(iii\)\(E\)](#) the median price was multiplied by 0.95 to determine the price limits for single family homes. This resulted in the following limits:

Existing Homes: \$280,250

New Construction Homes: \$357,085

#### E. Calculations for Other residential housing types

Following the [“Methodology for Calculating HOME Maximum Purchase Price or After-Rehab Value Limits – FY 2021,”](#)<sup>2</sup> the limits for 2-unit homes, 3-unit homes, and 4-unit homes, for both existing and new construction were calculated. The results of those calculations are provided in the table below.

## Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan** -- It is following a current consolidated plan that has been approved by HUD.

**Use of Funds** -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2022-23 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

**Compliance with Anti-discrimination laws** -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.
