

ORDINANCE – To Amend and Reordain Section 22-43 Titled “Reserved” of the Code of the County of Henrico to Allow the Use of Photo Speed Monitoring Devices in School Crossing Zones

This ordinance allows the use of photo speed monitoring devices for purposes of recording violations of maximum speed limits at school crossing zones in accordance with Code of Virginia § 46.2-882.1.

The ordinance imposes a civil penalty of \$100 if a photo speed monitoring device finds a vehicle traveling at speeds of at least 10 miles per hour above the posted school crossing zone speed limit while such zone is active.

The Chief of Police recommends approval of the Board Paper, and the County Manager concurs.

ORDINANCE — To Amend and Reordain Section 22-43 Titled “Reserved” of the Code of the County of Henrico to Allow the Use of Photo Speed Monitoring Devices in School Crossing Zones

BE IT ORDAINED BY THE BOARD OF SUPERVISORS OF HENRICO COUNTY, VIRGINIA:

1. That Section 22-43 of the Code of the County of Henrico is amended and reordained as follows:

Sec. 22-43. Reserved Photo speed monitoring devices in school crossing zones.

(a) Definitions. For purposes of this section, the following words and phrases have the meanings ascribed to them:

Photo speed monitoring device means equipment that uses radar or LIDAR-based speed detection and produces one or more photographs, microphotographs, videotapes, or other recorded images of vehicles.

School crossing zone means an area located within the vicinity of a school at or near a highway where the presence of children on such school property or going to and from school reasonably requires a special warning to motorists. School crossing zones are marked with appropriate warning signs or other traffic control devices indicating that a school crossing is in progress.

(b) Installation and operation. The division of police may place and operate photo speed monitoring devices, within the boundaries of the county, in school crossing zones for the purposes of recording violations of Code of Virginia § 46.2-873. The installation and operation of the photo speed monitoring devices, the placement of required signage, the retention and security of records, the prosecution of violations, and all other requirements in Code of Virginia § 46.2-882.1 will be performed in compliance with that section of the Code of Virginia, as amended.

(c) Civil penalty. The operator of a vehicle will be liable for a civil penalty of \$100 if such vehicle is found, as evidenced by information obtained from a photo speed monitoring device, to be traveling at speeds of at least 10 miles per hour above the posted speed limit within such school crossing zone. Civil penalties collected from a summons issued by a police officer under this section will be paid to the county and used in a manner permitted by Code of Virginia § 46.2-882.1.

2. That this ordinance will be in full force and effect on and after its passage as provided by law.
