MANAGER'S COMMENTS

The Division of Fire has been selected for the prestigious 2015 Congressional Fire Services Institute (CFSI) *Excellence in Fire Service-Based Award*, the pinnacle award for fire service emergency medical services in the United States. On April 16, members of the Board of Supervisors and Mr. Vitoulkas joined Fire Chief Tony McDowell and his staff at the CFSI awards dinner in Washington D.C., where they were invited onto the stage to receive the award in front of an audience that included members of Congress and the administration and more than 2,000 fire service leaders from across the nation. This award recognizes the long-term commitment of Henrico County in supporting Department of Defense missions and the Division of Fire's training partnership with a variety of military units, including the U.S. Marine Corps, U. S. Army, and Virginia National Guard.
