The rezoned property is described as follows:

Parcels 92-B2-10 and 124:

Beginning at a point on the W. line of Hungary Spring Road, approximately 585' south of its intersection with the S. line of Eunice Drive; thence S.  $6^{\circ} 31' 30''$  W., 212.43' to a point; thence S.  $78^{\circ} 52' 20''$  W., 1090.76' to a point; thence N.  $9^{\circ} 21' 40''$  E., 462.54' to a point; thence S.  $88^{\circ} 2' 38''$  E., 1019.75' to the point of beginning, containing 7.9 acres.

The Board of Supervisors accepted the following proffered conditions which further regulate the above described property in addition to all applicable provisions of Chapter 22, Code of Henrico (Zoning Ordinance). They are as follows:

1. There will be a 400' setback from Hungary Spring Road in which no apartments or buildings will be constructed.
2. During the development of the property, no construction office trailer will be located within 300' of Hungary Spring Road. During the development of the property, a construction office trailer may be located in the area which is between 300' and 400' from Hungary Spring Road. No rental activity shall be conducted from any construction office trailer.
3. Every effort will be made to seek and obtain a secondary access to the property; documentation of said effort shall be submitted to the Planning Office.
4. Details of the freestanding sign identifying this development will be submitted for review and approval by the Planning Commission with the Plan of Development (POD).
5. The developer will use every effort to preserve trees now on the property and will supplement existing trees with plantings in accordance with a landscaping plan to be submitted to the Planning Commission for review and approval. Said landscaping plan will include the 400' setback area, as well as the area where the apartments are to be constructed.

6. The developer intends to construct apartments substantially similar in design to those in "Cardinal Apartments" brochure filed with Case C-89C-85, and said apartments will have brick on the exposed exterior surfaces of the ends of the buildings, as shown in said brochure, which face Hungary Spring Road, the driveways within the property, the Wood Run Apartments, and the Courthouse Square Apartments.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.
