Gentlemen:

The Board of Supervisors at its meeting on April 9, 1997 granted your request to amend proffered conditions on Conditional Rezoning Case C-74C-89, being Parcel 36-A-22.

The following substitute proffered conditions accepted by the Board of Supervisors, further regulate the use of your property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance).

These proffers replace those accepted with Case C-74-89.

1. Exterior Materials and Architectural Treatment. The exposed portions of each exterior wall surface (front, rear and sides) of each building constructed on Tax Parcel numbered 36-A-22, hereinafter the "Property", (excluding rooftop screening materials for mechanical equipment and architectural accents) shall be primarily constructed of face brick and/or split faced block (exclusive of windows, doors, facia, canopy and trim) unless different finished materials are approved at the time of Plan of Development review. Under no circumstances will exposed CMU (concrete masonry units) be used. No building shall be covered with or have exposed to view any sheet or corrugated aluminum, asbestos or metal (exclusive of metal seam canopy or roof) unless otherwise approved by the Planning Commission at the time of Plan of Development review. The shopping center shall be designed consistent with the West Broad Street Overlay District Ordinance and Design Guidelines.
2. Parking Lot Lighting. Parking lot lighting fixtures on the Property shall not exceed twenty (25) feet in height as measured from the grade of the base of the lighting standard and it shall be produced from concealed sources of light and shall be reduced to no more than a security level after the close of business. Parking lot lighting shall be designed to minimize the impact on nearby residential areas.
3. Use Restrictions. The following uses shall not be permitted on the Property.
Adult bookstores;
Dance halls;
Flea markets and antique auctions;
Hotels, motels, motor lodges and tourist homes;

Lodges, meeting halls, and fraternity organizations;
Gun sales and repairs;
Garden centers;
Automotive body and repair shops;
Commercial parking lots;
Automobile or other motor vehicle sales or rental.

4. **Building Height.** No building constructed on the Property shall exceed thirty-five (35) feet in height, exclusive of chimneys or other architectural design features.
5. **Trash Receptacle Areas.** All trash receptacle areas shall be screened from view at ground level in a manner approved at the time of Plan of Development review.
6. **HVAC.** No heating or air conditioning equipment shall be placed on the roof of any building unless properly screened from public view from adjacent residentially occupied properties and public streets in a manner satisfactory to and specifically approved by the Planning Commission at the time of Plan of Development review.
7. **Severance.** The unenforceability, elimination, revision or amendment of any proffers set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.
8. **Buffer Areas.** Landscaped and natural buffer areas shall be maintained as described below, except to the extent necessary for access drives or other purposes specifically approved by the Planning Commission at the time of Plan of Development (P.O.D.) review.
 - a. A landscaped buffer of thirty-five (35) feet in width parallel and adjacent to the W. Broad Street Road right of way as determined at the time of P.O.D. review.
 - b. Stormwater retention facilities shall not be located in the buffer area.
 - c. Only one access drive for the shopping center to Broad Street Road shall be permitted and it shall be installed roughly perpendicular through the landscaped buffer.
9. **Signage.** All signs constructed on the Property shall be architecturally compatible with the buildings constructed on the Property. All lighted signs shall be lit internally.
10. **Site Coordination.** The Property shall be developed as a portion of a shopping center to be developed on the Property and the adjacent property, or a portion of such adjacent property. The Shopping Center shall not encompass less than fifteen (15) acres, inclusive of outparcels and areas to be dedicated for rights of way. Specifically, all buildings and signs shall be similar in architectural treatment and materials, and access shall be coordinated with the adjacent parcels or the portions thereof developed as part of the Shopping Center.
11. **Sidewalk.** A standard size concrete sidewalk shall be provided along the Broad Street Road frontage at a location to be determined at the time of P.O.D. review.
