Gentlemen:

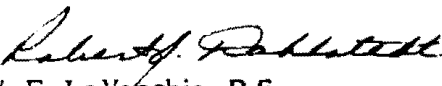

At its January 9 meeting, the Board of Supervisors granted, as recommended by the Planning Commission, your request for a Provisional Use Permit to extend the hours of operation of a restaurant (Hardee's) to 24 hours per day. Such restaurant is situated on Parcel 11-B1-16 and part of 11-B1-13 and 2.

The Board of Supervisors granted your revocable permit subject to the following conditions:

1. All conditions of Plan of Development 100-83 shall be made a part of this approval.
2. Required sensing devices to announce vehicles utilizing the drive-up service window should be maintained properly and utilized whenever said window is used pursuant to this permit.
3. Required noise and odor control devices shall be maintained properly and utilized at all times.
4. Outdoor lighting, particularly at the rear of the property, shall be reduced to the lowest intensity possible, commensurate with security requirements, between midnight and 6:00 a.m.

The Planning Office has been advised of the action by the Board of Supervisors and requested to revise its records accordingly and to place a copy of this notification in the Provisional Use Permit Index.

Sincerely,

for W. F. LaVecchia, P.E.,
