Re: Request to Transfer Provisional Use Permit P-7-88

Dear Mr. Porterfield:

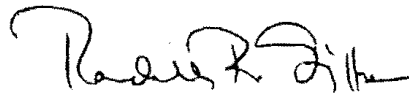

Based on the information provided in your letter dated March 25, 1998, I am granting your request to transfer Provisional Use Permit P-7-88 from Racetrac Petroleum, Inc. to Woodfin Oil Company.

The material you have submitted indicates your understanding of and compliance with the conditions of Section 122.1 of the Zoning Ordinance to protect the health, safety and general welfare. Your submittals stipulate the use will continue to be an automobile filling station and convenience store with 24 hour operation

Please understand that if Woodfin Oil Company does not continue to satisfy the criteria of Section 122.1 or if in the future the operation has a deleterious effect on the surrounding area, the Permit may be revoked after a public hearing by the Board.

If you have any questions or wish to discuss this matter further please don't hesitate to call.

Sincerely,

Randall R. Silber
