Gentlemen:

The Board of Supervisors at its meeting on December 12, granted your request for a revocable Provisional Use Permit in order to erect a communication tower and antenna up to 108 feet in height at R. 1. Application for a building permit to install the tower must be made within one year after the Provisional Use Permit is granted by the Board of Supervisors.
2. The base of the tower will be fenced in a manner to properly safeguard against the tower being accessible to unauthorized persons.

The Planning Office has been advised of the action by the Board of Supervisors and requested to revise its records and to place a copy of this notification in the Provisional Use Permit Index.
