CONTACT: Barry Lawrence, Assistant to the County Manager for Board Affairs

PHONE: 501-4318

The Virginia Municipal League (VML) has reappointed 10 Henrico County officials to serve on its policy committees.

Board of Supervisors Chairman and Tuckahoe District Supervisor Patricia S. O'Bannon, along with Deputy County Manager Robert K. Pinkerton, will serve on the Environmental Quality Committee; Board of Supervisors Vice Chairman and Fairfield District Supervisor Frank J. Thornton will serve on the Legislative Committee, as well as the Human Development and Education Committee along with Deputy County Manager George T. Drumwright, Jr.; Brookland District Supervisor Richard W. Glover and Deputy County Manager Harvey L. Hinson will serve on the General Laws Committee; Three Chopt District Supervisor David A. Kaechele, along with Deputy County Manager Leon T. Johnson, will serve on the Finance Committee; Varina District Supervisor James B. Donati, Jr. and Director of Public Works Robert C. Thompson, will serve on the Transportation Committee.

Policy committee members are nominated by their localities and serve for one year. Serving on the VML policy committees is a way in which local government officials contribute to the development of the league's policy positions. The purpose of the policy committees is to develop the league's position on various issues concerning their respective jurisdictions. These decided positions become the preliminary league policy statement. The policy statement is debated, amended and adopted by the full league membership at the business session held during the VML Annual Conference in October.

The policy committees also recommend issues to the VML Legislative Committee for incorporation into the league legislative program. The preliminary legislative program, like the policy statement, is adopted by the full league membership at the annual conference.

The legislative program and policy statement guide league officers, members and staff in their work with the general assembly, state agencies and the federal government.
