Henrico officials monitoring oil spill, taking precautionary steps

Henrico County is taking precautionary measures to protect its water supply in response to a CSX train derailment in Lynchburg today that is spilling crude oil into the James River. There is no indication the oil will enter the county's water supply.

County Manager John A. Vithoukas said officials are monitoring the spill and are filling its water storage tanks as a precaution. The county is working with state agencies including the departments of Health, Emergency Management and Environmental Quality, he said.

"Henrico is following this situation closely as it develops and is prepared to implement measures to protect our residents, businesses and other users of county water if necessary," Vithoukas said. "The health and safety of our residents is our primary concern."

Student Government Day provides firsthand look at Henrico government, school operations

More than 100 students from Henrico County high schools on Wednesday got a close look at their local government and public schools administrations during the 57th annual Student Government Day.

The program matched students from nine high schools with elected and appointed officials, including members of the Board of Supervisors and School Board, county manager, superintendent, department directors and judges. Students spent the day interacting with decision-makers, gaining insight into how Henrico general government and Henrico County Public Schools work on behalf of residents and others in the community.

"Student Government Day is a tremendous learning opportunity for our high school students," County Manager John A. Vithoukas said. "Students have a chance to ask questions of local leaders and see for themselves how dozens of departments and agencies come together to provide core services to our residents. Student Government Day also gives students a taste of what it's like to participate in a public meeting, where pressing issues are discussed and debated, and policy decisions are made."

Student Government Day began Tuesday at Hermitage High School with a ceremony in which 32 students swore the oaths required for their respective positions. All of the students spent Wednesday with their designated departments and agencies. Students also had opportunities to tour Henrico's Jail West and to register to vote.

For students who worked at the Henrico Government Center on East Parham Road, the day culminated with a student-run, simulated work session and meeting of the Board of Supervisors, which included discussions of the county's sports tourism initiative, preparations for a nine-day bicycle race to be held throughout the region in September 2015 and proposals to allow outdoor dining at a restaurant and to secure an easement for the Virginia Capital Trail.

The Kiwanis clubs of North Richmond, Tuckahoe and Greater Richmond are sponsors of Student Government Day.

Henrico prepares for heavy traffic during NASCAR races April 25-26

The Henrico County Department of Public Works will temporarily alter traffic patterns on roads around Richmond International Raceway (RIR) to accommodate fans attending the NASCAR races Friday, April 25 and Saturday, April 26.

Motorists are advised to expect heavy traffic and delays in the area on both days, especially from 8 a.m. to 7:30 p.m., before the races, and from 10:15 p.m. to 2:30 a.m., afterward.

Henrico Police officers will direct motorists before and after the races. Race fans and other motorists are encouraged to check traffic updates on message boards along interstates and other roads approaching RIR. Police also will post updates on its Twitter account, @henricopolice, and its Facebook site.

The following traffic patterns will be in effect Saturday, April 26 during peak hours:

- Carolina Avenue between Laburnum and Azalea avenues will be one-way outbound after the race. Access to businesses along Carolina Avenue will be maintained from Laburnum Avenue.

- Richmond-Henrico Turnpike/Meadowbridge Road from the Henrico/Hanover county line to Azalea Avenue will be one-way southbound from about 1 p.m. until the race starts. Sections of Meadowbridge Road farther north in Hanover County will continue to accommodate two-way northbound and southbound traffic at all times.
- After the race, Laburnum Avenue from Carolina Avenue to Mechanicsville Turnpike will be one-way eastbound. Eastbound Laburnum Avenue from Richmond-Henrico Turnpike/Meadowbridge Road to Carolina Avenue will be closed until race traffic disperses. Two-way traffic will be maintained on Laburnum Avenue west of Richmond-Henrico Turnpike/Meadowbridge Road.
- After the race, beginning at about 10 p.m., Richmond-Henrico Turnpike/Meadowbridge Road north of Azalea Avenue will be one-way northbound to Atlee Road in Hanover County. Richmond-Henrico Turnpike/Meadowbridge Road will be restored to two-way traffic when race traffic disperses.
- After the race, three lanes of Azalea Avenue from Richmond-Henrico Turnpike/Meadowbridge Road to Henrico High School will be routed westbound; one lane will be routed eastbound. This change will require all median crossovers on Azalea Avenue from Richmond-Henrico Turnpike/Meadowbridge Road to Henrico High School to be closed from about 10 p.m. until race traffic disperses. Police will assist motorists turning from Azalea Avenue onto Thrush Lane and Pony Farm Drive.

While the traffic modifications are in effect, median crossovers on Laburnum Avenue will be closed from North Avenue to Mechanicsville Turnpike, except at Alma Avenue, Pilots Lane and Austin Avenue. Only right turns will be permitted to and from Laburnum Avenue. Police will be at these intersections before and after the race to assist motorists turning onto or crossing Laburnum Avenue.

On-street parking on major routes to RIR will be prohibited each day. Parking will be available for \$6 on Saturday, April 26 at the Richmond Coliseum parking deck at 501 N. Seventh St. in downtown Richmond. Free shuttle bus service to and from RIR will begin at 1 p.m.

The Henrico Division of Police recommends the following routes for traffic approaching the raceway:

Henrico seeks volunteer workers for Civil War battle reenactment Sept. 26-28

Henrico County is looking for volunteers to help staff and support a reenactment of the Battle of New Market Heights, a fight significant for the role played by African-American soldiers serving in the U.S. Colored Troops (USCT).

At least 50 volunteers are needed for the reenactment, set for Friday, Sept. 26 through Sunday, Sept. 28 at the Runnymede property near the Malvern Hill site of Richmond National Battlefield Park, 8750 Willis Church Road. Henrico's Division of Recreation and Parks is organizing the event, which is scheduled to mark the 150th anniversary of the battle.

County officials anticipate up to 1,500 reenactors and 10,000 spectators for the weekend-long event, which will feature demonstrations and tours for school groups on Friday and a total of three battle reenactments on Saturday and Sunday. It also will offer live performances of period music, popular food and merchandise from the era and educational activities for children.

Volunteers will help guide school tour groups, provide line and crowd control, and assist children's crafts and games, among other duties. Volunteers can work single or multiple shifts. They should be 16 or older and able to work outdoors on field terrain.

Volunteers can sign up and get additional information at www.civilwarhenrico.com or by contacting Anna Truong at tru08@co.henrico.va.us and (804) 501-2130. The deadline to register is July 25.

"We're excited to commemorate this historic battle that took place on Henrico soil and bring to life an important moment in the county's — and our nation's — history," said Neil Luther, director of Recreation and Parks. "We need the support of our community volunteers to help make it happen."

The Battle of New Market Heights took place the morning of Sept. 29, 1864, as part of a broader Union assault against Confederate defenses southeast of Richmond. Several regiments from the U.S. Colored Troops, which had crossed the James River at Deep Bottom the night before, spearheaded an attack on elevated, entrenched Confederate positions along New Market Road near Four Mile Creek. At the same time, additional Union forces moved against Fort Harrison a little more than 2 miles to the west. USCT units suffered heavy casualties in the attack but dislodged Confederate forces from New Market Road; simultaneously, Union troops captured Fort Harrison.

Fourteen African-American soldiers received the Medal of Honor — the nation's highest military honor — for their heroism in combat at New Market Heights (18 African-American soldiers received the Medal of Honor over the course of the Civil War). Their actions helped dispel the notion, widely held at the time, that African-American soldiers were unfit for combat.

Henrico Citizens Academy set for May; registration to open April 12

Henrico residents can learn the nuts and bolts of county operations at the 2014 Henrico Citizens Academy, scheduled for five sessions in May.

The free program will take place from 6:30 to 9 p.m. each Thursday of the month starting May 1. Residents can register at www.connect.henricorecandparks.com beginning Saturday, April 12. They also can sign up at the Division of Recreation and Parks office in the Human Services Building, 8600 Dixon Powers Drive, beginning Monday, April 14. Registration will close Friday, April 25.

The academy is open to 35 residents, with space reserved for seven individuals from each of Henrico's five magisterial districts. Participants must be 18 or older.

The academy is designed to give residents a comprehensive look at county operations and services — from plowing county roads after a winter storm and running a youth sports league to preparing an annual budget, providing emergency rescue services and recruiting a Fortune 1000 corporation.

Classes will be led by Henrico officials and staff and will be held at a different county facility each week. Classes typically will feature a presentation and discussion, facility tours, equipment demonstrations and other activities. Topics will include community and economic development, schools and human services, recreation and parks, public safety and county history.

This year marks the second offering of the Henrico Citizens Academy. The county's divisions of Police and Fire have been holding academies for residents since 1995 and 2000, respectively.

Henrico supervisors to hold public hearing April 8 on proposed budget

The Henrico County Board of Supervisors will hold a public hearing Tuesday, April 8 on the proposed budget for fiscal year 2014-15.

The meeting will begin at 6 p.m., one hour earlier than usual, in the Board Room of the Henrico Government Center's Administration Building, 4301 E. Parham Road.

Residents may provide oral or written comments on the \$1.1 billion plan, which would guide operating and capital spending for the year beginning July 1.

The general fund, which supports the operations of Henrico's general government, including the divisions of Police and Fire, and Henrico County Public Schools, would total \$767.4 million. That would represent an increase of \$20.2 million, or 2.7 percent, over the current year's plan. Schools would receive a total of \$20.5 million in additional funding, while general government departments and agencies would combine for nearly \$300,000 in reductions. Education and public safety would account for 77 percent of all general fund spending.

The proposed budget recommends no change to the real estate tax rate of 87 cents per \$100 of assessed value.

Residents are encouraged to register in advance to speak at the public hearing. To sign up or for more information about the meeting, call Board of Supervisors Clerk Barry R. Lawrence at (804) 501-4318. For information on the proposed budget, call Director of Finance Gene Walter at (804) 501-5200.

Copies of the proposed budget, which includes an overview message by County Manager John A. Vitoulkas, are available for public inspection at Henrico libraries, the Office of Management and Budget in the Henrico Government Center and at www.co.henrico.va.us.

The Board of Supervisors is scheduled to vote April 22 to adopt a budget for fiscal year 2014-15. The board typically meets at 7 p.m. on the second and fourth Tuesdays of each month in the Board Room of the Henrico Government Center.
