2. The Developer has entered into a contract ("Contract") with certain Subcontractors ("Subcontractors") by which the Subcontractors will construct the Environmental Compliance Measures in accordance with requirements of the Code of Henrico County, Virginia, and conditions imposed hereunder by the Department of Public Works (all of which are collectively referred to herein as the "Requirements"); and

3. In connection with its approval of development of the Property, the County desires to obtain security, through the assignment of certain funds evidenced by a Certificate of Deposit held at the Bank, for the installation and maintenance of Environmental Compliance Measures in accordance with the Requirements.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. Assignment of Certificates of Deposit. The Developer hereby irrevocably assigns to the County all of its right, title, and interest in and to funds represented by a Certificate of Deposit in the face amount of \_\_\_\_\_ issued by the Bank, copies of which are attached hereto as Exhibit B ("Certificate"), as security for construction, completion, and the maintenance of the Environmental Compliance Measures. The Bank shall not release the Certificate to the Developer or other third party unless directed by the official of the County charged with the enforcement of the Requirements pursuant to the terms and conditions set forth in this Assignment.

Upon receipt of such certified

statement, the Bank will be unconditionally obligated to release the funds to the County. Upon receipt of such funds from the Bank, the County shall forthwith apply same for the sole and exclusive purpose of construction, completion and maintenance of the Improvements, and upon completion of such Environmental Compliance Measures, shall promptly return all unused amounts to the Developer.
